

# Family Devotion Time

## INSTRUCTIONS:

Make enough copies of the week's Family Devotion Time card for each child. After each lesson presented hand out the card with the corresponding lesson number for the child to take home each week. Tell the children to encourage their parents (or guardians) to have a Family Devotion Time each night (or an appropriate time) using the verses on the cards. At the end of the week the parent is to sign the card and give back to the child to return to class each week. Give special awards (if you desire) to the children who return their cards. Use the award system with discretion. Some parents may not see a need for a devotion time. Be sensitive to the child's family dynamics. You may even choose to not have the child return the cards, but still encourage the Family Devotion Time.
