

Memory Work Booklet

To make Memory Booklets

1. Use half sheets of construction or colored cardstock or colored foam sheets for the pages of each child's booklet. Make enough pages to complete each section (the same picture will be in one booklet). Let the child cut out each week's Memory Verse and glue to the booklet pages.
2. Let each child color or decorate the cover of their booklet. (Make sure the child's name is on their own booklet.)
3. For each child make 2 copies of the Memory Verse picture. One copy goes home. The other copy goes into their booklet. These pictures can be colored.
4. Have fun stickers available to give to each child who can say their memory verse. Place sticker on the Memory Verse they quote.
5. At the end of each Memory Verse booklet session the child can take their booklet home.
