

Ray Year 2 Missions scripture ideas and puzzles

Scripture ideas: Mark 16:15 “Go ye into all the world and preach the gospel”

If the children know the above scripture allow them to memorize this scripture: Matthew 28:19 “Go ye therefore, and teach all nations, baptizing them in the name of the father and of the Son, and of the Holy Ghost.

These ideas can go with both scriptures.

March around the room and tell the children they will be going on a mission trip around the world. Stop every once in a while and tell the children we are in Africa, and ask them, what are we going to do in Africa? The children will say scripture. Keep going around and go to different countries and allow the children keep saying scripture.

Balloon Game Scripture memorization idea: Split the children up in groups. Print two sets of verses (one word of each Bible verse and scripture reference per paper). Fold the paper and put in balloons. Blow the balloons up and give the Bible verse that are in the balloons to the children and let them pop the balloons to see which group can finish first. If you have more children than balloons you can put blank paper in the balloons so everyone can pop a balloon. If you do not have enough children to split into two groups you can let each child pop a balloon and you all can do the scripture together. Allow the children say the scripture aloud a few times.

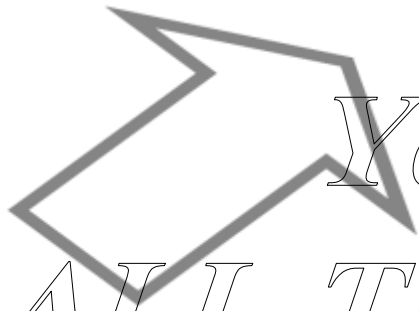

Say a missionaries name and what mission field they are doing God’s work at and ask the children what is the great commission they are obeying that God commanded them to do. The children will say the scripture and reference. Keep saying different missionary names and country or state they are in until the children learns the scripture.

Chalk footprint- in an outside concrete area draw footprints – one footprint for each word of the scripture plus scripture reference. Children will take turns stepping on the footprints saying the words as they go. When they know the scripture well enough they can go faster and you can time them.

Use a basketball goal if you have one and allow the children to toss a basketball in the goal and if they miss they will say the scripture. If you do not have a basketball goal use a waste basketball and use a wad of paper.

Go
